TERRACE BAY WIN HOCKEY AND CURLING IN SPORTS JAMBOREE

The students and staff of the High School wish to thank our town people for their help and aid in making our Sports Jamboree such a day of fun and clean sport.

Thanks to our Mothers, we had lunch to spare for over 350 students;

TERRACE BAY WIN HOCKEY AND CURLING IN SPORTS JAMBOREE (Cont.)

thanks to our local merchants, we had soft drinks for all; thanks to our Kiwanis Club, we had our sports properly supervised.

The ideal result for such a Sports Jamboree would be for each school to win one event. It almost worked out that way. Schreiber won the Badminton, hands down; Marathon won the Bowling; Terrace Bay won the Curling; Nipigon won the Girls' Basketball, Marathon the Boys' Basketball; and Terrace Bay the Hockey. We are sorry that such good sports as the Geraldton students failed to win one of the events. We might be prepared to grant them our win in Curling as long as they let us keep our Hockey win. To date the only two schools ever to win the Goldfield hockey trophy in ten years of competition has been Geraldton (6 times) and Schreiber (4 times). We are therefore particularly proud of that win.

We would like especially to thank Mr. Borsum and Mr. Dawson for their coaching of the Basketball team; Mr. Marsh and Mr. Hanna for their coaching of the Hockey team; and all those curlers who helped to coach our junior curlers. With such interest in our students, our Sports Jamboree couldn't help but be a success.

To our town and its people, our thanks.

Mr. Maat has also donated two rose bushes and one dozen Gladioli bulbs which will be used as door prizes. All members registering will receive a number and four will be winners.

Come out and join in the open discussion on soils and fertilizers and learn what some of our members have accomplished right here in Terrace Bay.
