FIGURE SKATING CARNIVAL TO BE PRESENTED BY LOCAL CLUB

A general meeting of the Terrace Bay Figure Skating Club was held in the Recreation Centre meeting room on February 16, 1955 at 8:00 p.m.

The local club is now in the process of carnival rehearsals for a small presentation at the local Kiwanis Club Carnival on March 19th. The Club Professional, Ivy Pattison, is now in the process of casting the skaters in the various numbers. If you do not wish your child to appear in this carnival, please phone Betty Austin at the Personnel Office 216, or Hotel Terrace 210.

Floor rehearsals as well as ice rehearsals are now taking place and all parents are urged to have their children in attendance at all figure skating sessions as well as any floor rehearsals as requested, as our practice time for this carnival is running short.

Costumes are being designed for the various numbers and each parent will be responsible to have a costume made for their child as per designs supplied.

A costume convenor will be chosen for each group and will be contacting you to explain how the costume is to be made and

what type of material is to be used. It is expected that these costumes will be inexpensive but suitable for the number.

Figure Skating Tickets for the month of March go on sale on Friday and Saturday, February 25th and 26th. All tickets must be picked up not later than Saturday February 26th, in order to receive your weekly lesson, attend figure skating sessions, and skate in this carnival. Tickets are purchased one month in advance. Therefore, you must purchase 5 tickets at the cost of \$2.50 which will cover your lessons for March. Ladies of the figure skating club will be in attendance in the lobby of the Recreation Centre at the following times to sell these tickets:

Fri. Feb. 25 - between 3:00 and 5:00 p.m.

Mrs. J. Cumming

Sat. Feb. 26 - between 10:00 a.m. and

12:00 noon - Mrs. Skinner

Mrs. C. Wood

Sat. Feb. 26 - between 3:00 and 4:30 p.m.

Mrs. R. Harris.

The children are making excellent progress and we are very happy that we will have the opportunity to display their talents. The co-operation of all parents and skaters is requested as carnival time is a busy time. There is lots of work to be done and it is absolutely necessary that all children taking part in the carnival be at the rink for all carnival rehearsals at the time prescribed in order to make this, our first figure skating carnival in Terrace Bay, a huge success.
