FIRST TERRACE BAY BROWNIE NEWS

On Tuesday, February 22nd, the First Terrace Bay Brownie Pack held a special Thinking Day programme. This is the day each year we celebrate the joint birthdays of the Founder of the Guide Movement, Lord Baden Powell and Lady Baden Powell, World Chief Guide. This is the day, Guides throughout the whole world give special emphasis to International Friendship.

The programme was an impressive candlelight ceremony. Each girl lit a candle for the country she represented and placed it and her shiny pennies around the Toadstool. Then followed the Brownie Promise. Peggy Shirriff, Faye Thorsteinson, Gail Wood and Sharlene Pineault were presented with their Golden Bar, thus joining the ranks along with Laurie Mae Marcella, Linda MacFadyen, Dawn Rowlandson, Mary Ellen Reynolds, Ruth Thorsteinson and Bonnie Jean Wilson.

A Prayer for Thinking Day

This day we have set apart to think of our sister Brownies in other lands, beyond racial frontiers, beyond lands and seas. Grant that the uniform we wear may never be put on simply from force of habit or from convenience, let it be a perpetual reminder to us of whom we are, and what we are striving to be.
