FORT WILLIAM NIGHT AT TERRACE BAY CURLING CLUB

Last spring the Fort William Curling club had a Terrace Bay night in their club especially for members of our club. Anyone who was there will vouch for the good time they gave us. Now they have told us they would very much enjoy coming down here on a Saturday night for some curling with mixed rinks. There will be a form put up in the rink for those to sign who are interested in curling with and helping to entertain a mixed curling group from Fort William on Saturday, April 2nd which is the earliest Saturday we can have the ice. Please sign soon, as time is short.
