ST. MARTIN'S SCHOOL OPEN HOUSE MARCH 11TH7:00 - 9:00 P.M.

Our schools are what we make them. Times and schools in Ontario have changed from the little red school house of earlier days. Today multiplication tables have a meaning. Reading has become an adventure. Social Studies is a living thing. The minds of our children are trained for the responsibilities and citizenship and love of God, loyalty to their Community, Province and Country. But the one thing remains the same -- our schools are what we make them.

The objective outlined above required the CONSTANT co-operation of home, church and the school. Thus this year's Education Week's motto, "Education is Everybody's Business", is most fitting. In order that the general public may visit our school and teachers, we are having Open House on March 11th from 7:00 p.m. to 9:00 p.m. Everyone is cordially invited to attend and pupils will be given a detailed programme next week.
