

CONSERVATIONS HOLD MEETING IN TERRACE BAY

On April 2nd and 3rd, 1955 the Northwestern Ontario Conservation Federation Zone One of the Ontario Federation of Anglers and Hunters held a two day meeting in the Recreation Centre at Terrace Bay.

Don Ollen-Bittle of Terrace Bay, President of Zone One was in charge of the two day meeting which saw 60 delegates from Northwestern Ontario in attendance.

The importance of the meeting and the business to be transacted is indicated by the fact that there were fourteen officials in attendance from the Department of Lands and Forests, among them being Dr. W. J. Harkness, Chief, Division of Fish and Wildlife.

On Saturday night a banquet was held in the Hotel Terrace for the delegates where conservation films were shown

The two day meeting resulted in the exchange of valuable information in regard to the conservation of Ontario's natural resources. The next meeting of the Federation will be held early in September in Rosspport.
