ART GROUP

We were very pleased to see the number of people that attended both sessions of the Art course last Monday. Those attending the course found what Mr. Butler had to say very interesting. A write up on these sessions will follow in next weeks issue. We are hoping to form an active group in town which will include oils, sketching, and water color work. If you are interested in getting into a group such as ours please fill in the form below and return it to the Recreation Office as soon as possible.
