RECREATION FLYERYOUR CO-OPERATION IS A MUST!!

In order to draw up a recreation program which will meet our needs, first it is necessary to know what you want. Without the full cooperation of everyone, it will be hard to program for the townspeople and therefore a great many may complain when they could have had some say in our program beforehand.

Two survey blanks are issued on the back of the Terrace Bay News for man and wife, and the children will receive theirs through the schools. A box will be placed in our local post office lobby for the week of April 18th to 23rd. This will be your chance to express your wants and needs.

- - -

LADIES' TUMBLING CLASS

Our registration seems to be growing more each week. We are trying to arrange for two one-hour periods on different nights, but as of now we only have Tuesday from 8 to 9 p.m. Be sure you are out on time!

- - -

TEEN-AGE TUMBLING CLASS

We are organizing a teen-age group for boys and girls. If this interests you, then come out to the High School Auditorium this Saturday from 2 to 4 p.m.

- - -

ART GROUP

We have received a number of forms from those who wish to be part of an art group in our town. We intend to hold our next group meeting on Friday, April 22, in the large meeting room of the Rec. Centre at 7:30 p.m. Come out and bring your ideas - and be prepared to choose a committee.

- - -

ROLLER SKATING

We have in our town a few talented rollerskating instructors. There is the possibility of starting a skating club which would meet once a week on nights other than those mentioned above. This will operate as a private club and if you are at all interested, please contact the Rec. Office and leave your name and phone number. The tentative opening date for roller skating is May 16th.
