EXHIBITION BASKETBALL GAMES

Final arrangements have been made to bring the Port Arthur Collegiate Senior Boys Basketball team down this Saturday, April 23, to play the Terrace Bay High School team. P.A.C.I. have always had a very strong contender in the district basketball wars and this year was no exception. They were runners up in the Thunder Bay High School Championship and they hung a couple of defeats on the team that eventually went on to win the Northwestern Championship.

Our own local boys are flying high after a very exciting win over Marathon and if their calibre of play remains at its present level they will give the boys from the big city a very good game.

As a preliminary attraction we have a return game featuring the High School girls team against the local Womens team. This is the second encounter for these two clubs with the Womens team copping a very unanimous decision last time, so you can bet that the girls will be out to even the score. Come on out to the games and see the lady who sat next to you at the tea last week pivot in for a left handed hook shot, or your baby sitter hoop a long one from centre. Game time 7:30 p.m. in the High School Gym. Prices set at .35 for Adults and .15 for Children.
