Mrs. Mantey and her committee are in charge of the program. A lovely program has been planned and all members and friends are cordially invited to attend.

LIBRARY NEWS

The Disappearance - Philip Wylie

One day quite inexplicably, the female of the species vanished from the earth, at the same time the women learn that all the male species have disappeared. The author dramatically pictures for you the four post-disappearance years in the men's womanless world and parallel years in a woman's manless world. An unusual type of story, but to those who enjoy a fantasy it will prove quite interesting.

Crime Gentlemen Please - Delano Ames

A new Dagobert and Jane murder mystery. The combination of humour, thrills and acute detection makes the Delano Ames stories most entertaining.

Thirty new tiny tets, boys and girls and teen-agers books have been placed on the library shelves. We also have two art books, "Portrait Painting" and "Advice to a Young Artist".
