ROLLER SKATING

We wish to let the people know that the ice is on its way out now. Yes a farewell was expressed by all those who were out skating last Sunday afternoon.

We hope to get our roller skating started on May 16th at 9:00 p.m. Now that our skates have arrived we are all set to get into the swing of things. Make sure that you get out to the first Roller Skating Night ever held in Terrace Bay.

TENNIS CLUB

This year we hope to form a good Tennis Club with a lot of participators. You do not have to be one of the fancy players of the day but be sure you dig your racket out of storage. We are calling a meeting for all those interested in forming a Tennis Club, Monday, May 2nd at 7:30 p.m. in the small meeting room of the Recreation Centre.

BICYCLE RIDERS

I would like to point out to the parents who have children with bicycles that we would appreciate a word from you to the children that they are not to ride their bicycles up and down the walks outside the Rec. Centre at any time. We are having racks made for the Children's bicycles which we will insist that they use.

ART CLUB

Last Monday night the Art Club was formed and a committee of five was chosen to help out in the different offices that must be filled.

Our committee for this season is as follows:

- President - Jim Cummings
- Vice-President - Al Stevens
- Treasurer - Mrs. Carmichel
- Secretary - Mrs. Bailey and Mrs. Gaulin

The starting night of our club will be this Friday in the large meeting room of the Rec. Centre from 8:00-11:00 p.m.

A nightly fee was decided to be 10 cents which will be put aside with the thought of opening into other crafts later on.
