

KNIGHTS OF COLUMBUS AMATEUR SHOW (Cont.)

a cash award was made to each of these enterprising young men.

Third place went to a last minute volunteer in the person of Raymond Gillette of Schreiber High School who sang "Via Con Dios". He delivered another number while the judges were tabulating their final scores and for his effort was presented with a cash award.

Grand Knight Eldon Marostica made the presentation of a handsome Individual Trophy to Donna and David Lohr as Grand Award winners with the observation that the Trophy, though presented to a duet, would bring individual prestige to each resting in the same home as it would be. He outlined to the gathering that the Knights of Columbus had this year implemented a 6th Point to their Activity Programme in the form of Youth Activity and it was this motivating factor that sparked the idea of an Amateur Show. He complimented Bill Sernesky, of Terrace Bay, on this idea, and also as the Committee's first Chairman. Special thanks were tendered to the judges, Mrs. Darcy McGuire and Mrs. Inez McCuaig of Schreiber, and Mr. M. O. Nelson of Terrace Bay, Chairman of the Terrace Bay Recreation Committee. Miss Claire Quarrie, as accompanist for several of the contestants, was similarly thanked.
