HORTICULTURAL SOCIETY NEWS

The Horticultural Society would like to thank all those who helped with the unloading and delivery of the carload of manure brought in last week. The speedy release of the car was made possible by your efforts.

The charge of \$1.00 per load covers the delivery costs only and those who have not yet paid this are asked to do so in the next two or three days so that we may reimburse the drivers.

Payment should be made to the Secretary Treasurer, Mrs. G. Maitland, 74 Hudson Drive.

HORTICULTURAL PRESIDENT ADDRESSES KIWANIS CLUB

Mr. Farrow, President of the Terrace Bay Horticultural Society, was guest speaker at the regular Kiwanis Club meeting on Tuesday evening.

The Kiwanis members heard an interesting account of the origin and organization of the local branch of the society. In addition, the early days of the movement in Ontario were covered and highlights of early history were read.

The work of the society in Terrace Bay was mentioned and members were interested in hearing about a test plot of "native soil" which is to be developed near the mill wood storage area.

R. Kenney introduced the speaker and Club President, M. O. Nelson was in charge of the meeting.
