

OFF THE BAT COLUMN (Cont.)

being on the team may see Frank Whitfield or Bill Borsum for further particulars.

Hats off to our ardent fans for their coming out to our games -- regardless of the weather! It was a great pleasure to pay off \$9.25 to one of our ardent fans, Jack Todd last Sunday afternoon as seldom, if ever, do we note the absence of the Todd's and Brophy's from any of our games. Tickets have been drawn out of the drum and these must have been yours -- but you weren't there to claim the attendance prize.

ENGINEERING WINS THE FIRST STEEPLECHASE CONTEST

The contest ended midnight, May 31st. Announcement of results has been deferred for a few days pending any development which might have altered the picture (such as an unreported accident). Here are the Final Standings with Earnings:

Unit	Employees	Points	Earnings
1. Engineering	185	13,875	435.00
2. Pulp Dept.	125	12,125	125.00
3. Wood Handling	90	11,200	90.00
4. Services	70	9,550	70.00
5. Townsite	65	8,800	65.00
6. Tech. & Admin.	60	8,700	60.00

Perhaps the most significant feature about the contest was the fact that during four months it ran not a single unit had a lost-time accident. And doctor care cases were down nearly 35% compared with the same period in 1954.

ENGINEERING WINS THE FIRST STEEPLECHASE (Cont.)

A 2nd Safety Steeplechase Contest started June 1st and will run until midnight September 30th. A number of changes have been made which should tighten up competition. Engineering will be split into two units with all the Maintenance group going into a 95-man unit.

Other Changes include reduction in Good Housekeeping credits to 500 points for 1st, 200 points for 2nd and 100 for 3rd. It is felt that Good Housekeeping is an important factor in the contest but that previous credits were perhaps a little high. Penalty for doctor-care cases is increased from 5 to 7 x the number of employees in the unit concerned. Grand prize to the unit finishing the contest with the most points is \$125.00. There will also be a \$75.00 second prize and a third prize of \$50.00.
