

Should you have a free evening, ask Doctor Campbell if he has ever been on a team that won a game! It could be that the hockey season would be on hand before he finishes his story.

Statistics will not be noted in this issue.

Because of the shutdown and teams scheduled to play during this time and at the same time are scheduled to work, a change in the schedule will be made. Managers will be notified of this as well as the public over the public address system on Friday. In the meantime, the regular schedule will be effective as to the times of play.

Sunday, July 3rd at 1:30 p.m.
 Monday, July 4th at 6:30 p.m.

KIWANIS PUT IN BUSY WEEK

On Monday evening the members of Herman Roberts Civic Affairs Committee and other members applied Scotch-Lite (fore and aft) to 83 Terrace Bay bicycles. This activity took place in front of the separate school. Surprisingly enough the tab on two small rolls of this tape came to \$44.00 but it is money well spent.

Tuesday evening the members spent at the river mouth clearing more brush back from the park area and cleaning up the beach for this year. Plans were made to install two fireplaces and to place a few signs in the area.

Future plans this year call for sidewalks and a lawn at the wading pool plus more work at the River Mouth.

KIWANIS PICNIC BIG SUCCESS

Due to the initiative of Kiwanis boys and girls chairman, Cliff Knauff, a monster picnic was held at the river mouth on Thursday last for all the children of the public and separate school.

Children were given transportation by the company bus (our thanks here) and by cars of members and their wives.

Games were run by some of the members who could get away and by the teachers of the schools. From all accounts a good time was had by all and it is hoped that the picnic will be repeated next year.
