HORTICULTURAL SOCIETY

On Friday evening, June 24th, the last meeting of the season was held in the Recreation Centre. The attendance was not what had been hoped for but those present decided to continue with our plans to hold a Horticultural Show of local fruits, flowers and vegetables on Saturday, August 27th in the High School Auditorium. Prize lists and entry forms are being printed and will be distributed to all members in the near future so plan now to exhibit in every class possible and help to make our first show a real success.

The highlight of the evening was the showing of a set of very beautiful slides of the flower gardens in Assiniboine Park, near Winnipeg, Man.

Watch the "News" for the date of our first fall meeting in September.
