KIWANIS DESERVES YOUR SUPPORT

Very soon now the local Kiwanis Club will be pushing tickets for the Rossport Derby Dance. The door prize at this event is a boat and trailer but you get a lot more when you purchase one of these tickets than an admission to a dance.

These tickets cost \$1.00 and of this amount 50 cents goes direct to the local Kiwanis Club. This money goes in the welfare account and must be used for community welfare in Terrace Bay.

Recent expenditures from this account have been, Kids Picnic \$100.00, Scotch-Lite for bikes \$44.00, sending student to United Nations, Seminar \$50.00, Scholastic grant to a student \$100.00. The Club expects to spend \$400.00 this year at the local wading pool and at the river mouth park.

These are just a few examples of how your money will be spent.
