SOFTBALL ASSOCIATION ANNOUNCES - BILL BORSUM DAY - SATURDAY, JULY 16 (cont.)

Ed Pineault will be calling upon five umpires to officiate at this game.

After three full innings of play, a couple of innings of Minor Baseball arranged by Jim Fraser and Ray Newton will be interjected into this game.

With the resumption of the All Star game, the usual sale of tickets for the Attendance Prize will take place. For this game there will be no cash award other than a 1955 modernistic C.G.E. Mantel Radio in the smart colour of Sandlewood. This radio is presently on display in the Trophy Cabinet in the Community Centre.

Following the ceremonies at the diamond, this memorable day will be brought to a happy ending at the High School Auditorium in the form of a Cabaret Dance to the music of Joe Adamo and his band starting at 9:00 o'clock. Through the generosity of Joe personally reimbursing the personnel of his crchestra, there will be no admission charge.

Should the great weather being enjoyed at the time of this writing not continue through Saturday, alternative plans are set that the motorcade will leave at 6:00 o'clock from Hotel Terrace Grounds to the Arena where indoor activities will take place. Plans arranged for this purpose will be another introduction of something new for this town. The dance will go on as earlier explained.

In conclusion an open invitation is extended to all to participate in paying their respects and appreciation to Bill for his seven years of working with and for us all. Indications are that many of the surrounding district are coming into our friendly town to show Bill their appreciation in his striving for closer ties between all towns on the North Shore.
