The third practice of the ladies softball team will be held next Tuesday at the above time. This should enable all you working girls to come out and enjoy a little fun and exercise.

Summarizing the results of the various matches, Terrace Bay won 5 while the Parkton contingent took 4 matches. To complete the day a delicious lunch was served by the ladies of the home club at the Recreation Centre. Everyone concerned agreed the tournament was a huge success and plans now call for a return visit by our local club at Marathon. A great measure of the success of the tournament is due Al Harrison, who lived up the various matches.
