Monday, July 25th at 7:00 in the large meeting room of the Recreation Centre we are having Mrs. Geo. Paradise from Sioux City, Iowa, U.S.A. This meeting will be an introduction to see if ladies in Terrace Bay would like to have a Sorority Chapter. This meeting has been requested by Mrs. Paradise.

LADIES SOFTBALL

Tuesday night we had 12 women out for softball practice. We hope that under the coaching of Tony Delaronde we may get a ladies team organized with regular scheduled practices. We hope to see everyone out. These practice hours and days will be posted. The Schreiber ladies are going to be contacted for the opening game next week.

PLAYGROUND CHATTER

We would like to inform all parents who have children attending our summer playground that our special events every Friday are generally an all day affair

PLAYGROUND CHATTER

unless the children say otherwise, or you hear from the Playground Director.

POLLYWOGS - All children between the ages of 4 - 6 are still taking their swim lesson at the wading pool on Tuesday and Thursday morning. The lessons last from 9:45-11:00. Please note there is no change house here. The children therefore may change in the Centre or wear their bathing suits. Each afternoon Monday-Friday a local lady has volunteered to supervise the kids from 1:30-4:00. Saturday and Sunday it will be the parents responsibility to supervise their children at the wading pool.

TEEN TOWN

This year we can be proud to see our teen-agers holding their activities at the High School every Tuesday and Thursday nights. We have a large number from Schreiber who are making a great contribution also.

On Thursday nights which is the dance night, we are insisting on one of the children's parents to be present to chaperone the evenings affair.

SOCCER

We are planning a game with Marathons players in August. This will mean a lot of work so be sure you are out to practice on Tuesday and Thursday at 7:00. The place of practice is the High School Ball Field.

SPECIAL TRIP FOR CHILDREN THIS FRIDAY

We are badly in need of transportation. If you could help us out would you please phone the Recreation Office or get in contact with Mrs. Middaugh. The hours for the trip will be about 10:00 a.m. - 3:00 p.m.

SENIOR ART CLASS

This group will continue to meet nearly every Thursday under the direction of Mr. Bill Klyppi of Marathon. Remember the first Thursday of each month Mr. Klyppi will be unable to get into Terrace but we hope to carry on anyway and receive our own constructive criticism.
