be commended for their great class of ball.

Earlier in the season Alf Adrian of Shift #3 pitched the first no hit game in Terrace Bay against Ed Aho's outstanding pitching for Shift #2.

Last Sunday in the game between Shift #2 and Shift #4, the score of 4-4 at the end of the seventh held fast until the top of the 14th inning when Burella's home run with bases loaded extended the final score to 9-4. Shift #2 were unable to capitalize in the bottom of the 14th. This reporter takes his "hat off" to chuckers Aho and Chopty for their great pitching of 14 innings, as well as all the players partaking in the record game under the strong sun.

Throughout the season many games were won by a single run indicating great ball games.

With games scheduled for Friday August 5th and Monday August 8th, curtains drop on our 30-game schedule. Because of the closeness in team standings with a possible tie for first place and a possible tie for last playoff berth, a semi-final schedule will be drawn up over the weekend. If it's playoff time some of you have been waiting for, it's now here, so come on out and support the team of your choice. Your support will help them along to greater ball and victory.

C - U AT THE BALL GAMES

This reporter extends the Associations thanks to Chairman Bill Borsum and Managers Al Ziegelman of Shift #3 and Ray Belliveau of Shift #4 for the well conducted and successful stag held last Friday. Also we wish to thank all those patronizing the event as well as all those who helped in any way.

OFF THE BAT COLUMN

In the ten years of Softball in Terrace Bay, the current season is proving to be a record-shattering one.

With no reflection to the players of other years, this season's players are to
