- J. Adamo - Vice-Chairman
- Members - R. Faust, Mrs. A. Sinkins, A. Driffield, E. Cavanaugh, C. E. Paget

A special meeting was called on September 2nd to decide on the opening date of the Arena for winter activities. Don Brearley, President of the Terrace Bay Amateur Hockey Association was also present.

After a discussion of attendance figures and interest shown at the beginning and ending of the season it was decided to bring the service man for the annual inspection in on October 17th and ice will be made soon after that date.

This decision was made after getting opinions from a large cross section of the community. Only time will tell whether it is too early or too late and future ice openings will be based on this year's experience.
