OFF THE BAT COLUMN

In "leading off" this column, players and supporters alike will not be "called out" by attending the Softball Windup to be held Friday night commencing at 8:30 p.m. in the Terrace Bay Arena. Under the chairmanship of "All Star" Frank Whitfield and co-chairman "Salary" Roland Grishaber, the committee comprising the rosters of these two teams have gone all out in their plans for a bigger and better windup. Once again we must remind all those under twenty-one (21) that through the thoughtfulness of the local constabulary, you will be allowed in at 11:15 p.m. As much as we would like you to be with us all evening, regulations must be understood and accepted.

Admission to the Cabaret at \$1.50 per couple is set to all's reach. Refreshments will be available from 8:30 until 11:00. With the definite closing of sales at 11:00, we again issue the warning of "come early, stay late". Dancing to Joe Adamo's 5-piece orchestra will be another great "order of the night" commencing at 9:30 and ending at a wee hour of the morning. Tickets are available from any softball player or Executive member for those wishing to get out and enjoy themselves.

During the band's intermission starting at 11:30, presentation of awards will take place. The Pennant Winners Award will be presented to Manager Al Ziegelman and his Shift #3. The Fraser-Brace Trophy, emblematic of softball supremacy will be awarded manager Ray Belliveau and his Shift #4. Further trophies are those to the leaders for their accomplishments, W. C. Borsum (High Batting (Cont. on next col.))

Held in deep secrecy is the League's MVP trophy to be presented to one of these five outstanding contenders as decided by the chaired officers. For the first time in local softball history the President's Award trophy will be awarded to the Rookie of the Year. The guess is now on as to who will be receiving these honourable awards. Could it be.....? Well, why should it be.....? In any case, forget favouritism and let's all partake in this enjoyable "judging game"!

With no reflection to past and present players, who have all helped to establish and promote softball, this reporter deems it his duty on behalf of all players and fans to publicly convey to both Henry Krahn and Alf Adrian grateful appreciation for their great contribution to softball in Terrace Bay for the past four summers. Henry and Alf will not be with us for further summer vacations plus "working their way through University". Though these two great sportsmen will be sorely missed in our sports circles, we have no doubt of the success in life awaiting doctors-to-be Krahn and Adrian. Henry and Alf --- very best wishes and thanks from the Terrace Bay Amateur Softball Association.
