

SHIFT #4 WIN SOFTBALL CHAMPIONSHIP (Cont.)

On Tuesday night with their regular manager-coach Ray Belliveau back at the helm, Shift #4 were now determined to make it a clean sweep. Shift #3 scored the first run of the game in the bottom of the first. It was not until the top of the third when Shift #4 were able to go around the bases three times. Shift #3 came back to tighten the game with their one run making the score read 3-2. In the top of the seventh, Shift #4 went ahead with a further two runs. During this same inning, with bases loaded, what was marked for one of the longest home runs by Krahn was foiled when Paul Malashewski ran some distance to jump and make one of the best catches witnessed on our diamond. In their last bid at bat, Shift #3 were unable to gather any runs and the game ended with a score of 5-2. Batteries for Shift #3 were McInnis and Adrian; for Shift #4 Wood and Chopty.

Members of the Champion team are Manager-Coach Ray Belliveau, Cliff Wood, Nick Chopty, Ted Commisso, Bob Burella, Maurice Osnar, Henry Krahn, Lester Legault, Don Anderson, Ray Stachiw, Paul Busniuk, Jim Garricock, Joe Cavanaugh, Cy Brassard.

This reporter takes his hat off to Shift #4. All players of both teams are deserving of congratulations for their participation in the finals that could have gone either way. This has been one of the best finals in our history.

With this resume completed, it's now to the Softball Cabaret Windup.
