LARGEST CIRCULATION IN TERRACE BAY

NORTHWESTERN ONTARIO CONSERVATION FEDERATION MEETING IN ROSSPORT SEPTEMBER 17TH AND 18TH

This meeting is to be held in Rosspport, Ontario on September 17th and 18th. On page 5 is a copy of the two day meeting schedule. Sunday the Rosspport fishermen are going to take the visitors out on Lake Superior to show them how the different types of nets are removed from the lake.

The guest speaker, John Budd, Biologist, the man who is setting up the Lamprey stations along the north shore will present an outline of the construction and operation of these traps.

There will be a dinner held at the W.I. Hall on Saturday evening.

The public is welcome to attend all meetings, including the dinner. The tickets for the dinner may be obtained at the meetings on Saturday.

Many of you will remember the meeting held in Terrace Bay this Spring. We had a very interesting get-together. It is hoped that the same amount of interest will be shown in the Rosspport meeting.

President Don Ollen-Bittle of Terrace Bay will preside over the two day meeting.

Let's see you in Rosspport on September 17th and 18th.
