BOYS' BOXING CLUB

Each Tuesday and Thursday nights from 7:00 to 8:30, George Savoy handles a group of interested boys wishing to stay in shape for hockey or learn some of the skills of boxing. Our first night's operation found over 30 people out. What is necessary now is someone who will lend a hand with these boys, as 30 boys of all ages is too big a job for one instructor. If you can help out, please contact George Savoy or the Recreation Office.
