DEPARTMENT OF EDUCATION CONCERTS

A delightful quartette of artists captivated their Terrace Bay audience last Thursday evening, October 20th, when they performed in the High School Auditorium here. Sponsored by the Department of Education, Terrace Bay is highly appreciative of the opportunity afforded them with this winter concert series.

Leader of the group was Miss Sydney Young, a very talented young pianist. Miss Young, as well as capably accompanying her fellow artists, played several solos, notable among these was presto- B. Minor Sonato by Chopin. Betty Ann Fisher, violinist, with her brilliant interpretations thrilled her audience with the ever-beautiful Song of India by Rimsky Korsakov.

Singers were Miss Helen Hajnik, Mezzo-Soprano and Vaclavas Verikaitis, bass. Miss Hajnik held her audience completely enthralled during each of her songs, but perhaps received the loudest acclamation for O Mio Fernando (La Favorita) by Donizetti. No stranger to Terrace Bay, Mr. Verikaitis repeated his successful performance of last year giving a magnificent rendition of Serenade by Moussorgsky and as a finale "God Bless Canada" by Crown and Gibbs, a song he had previously introduced over T.V.

The next concert to be held in Terrace Bay will be on November 24th. The artists to appear will be described prior to their arrival. Everyone is urged to keep this date open as only artists of outstanding talent are presented on this concert series.
