NOTICE RE ARENA SCHEDULE --

Public skating sessions are not being used and therefore a few changes are being made in the schedule. Every Friday night will be a skating night. Other changes have been made for improvement and as always constructive comments are welcome.

HOME AND SCHOOL ASSOCIATION

The Terrace Bay Home and School Association wish to announce that their November meeting has been postponed until December 5th at which time they will be highly honoured to have as their guest speaker, Dr. S.R.Laycock. Dr. Laycock is well-known in the Canadian Home and School Association and Parent Teacher Federation, having been the Western Vice-President from 1944 until 1946, the National President from 1946 until 1948 and chairman of Standing Committee on School Education and is now a life member.

Dr. Laycock has been a teacher in his province, Saskatchewan, for twenty-five years an instructor in the University there and Dean of Education, prior to his retirement. He does a tremendous amount of teaching through his lectures, writings, radio and more recently television participation. Through these channels he has become a national figure to the public in general, and to the Home and School Association members in particular.

In recent years, Dr. Laycock has toured all nine provinces in Canada giving talks on Mental Health, and for a number of years had carried a Radio Series, "School for Parents" which proved of great interest to Parent Education in Home and School Work. In his travels abroad, he has made contacts with educationists and leaders in Home and School, or its equivalent, where such exists; and has given encouragement to the idea whenever opportunity permitted. (Cont. on next col.)

HOME AND SCHOOL ASSOCIATION (Cont.)

Dr. Laycock's contribution to the work of Home and School in the field of Mental Health as applied to Parent Education is without parallel.

Representatives from the Home and School Associations in Marathon, Schreiber and Nipigon will be present for this occasion and an extremely enlightening evening is anticipated.
