MEET THE TEAMRAY STACHIW - FORWARD

Born in Fort Frances in 1936 (single) played hockey in the Lakehead but really hit his stride with the Schreiber-Terrace Bay Aces as a midget player. Played hockey at Scollard Hall and then back to Terrace Bay to play for the Superiors. In his rookie year he was known as the "Bulldog type" always boring in on the opposition. - Back-checking and forechecking - just making himself a general nuisance to the other team. He has a great deal of stamina and shows "great heart" when the chips are down. A real willing worker, the eager Beaver boy of the club. "Always on the Go Stachiw" - He will have a good year this year if he progresses as he has been doing in the Pre season games.

TIM BOND - FORWARD

Born in Port Arthur raised in Schreiber (single). Played the majority of his Hockey in Schreiber - starring in High School and Midget Hockey Circles. He teamed up well with Stachiw on the Schreiber-Terrace Bay Aces and jumped from that team to Schreiber Diesels (intermediate) after a years study at Scollard Hall.

He showed up well in the intermediate league in his Rookie year. He joined us in 54 and has played with his old wing-man on our team. This year he has showed promise of a hockey-player on numerous occasions while setting up plays for his line-mates. Great things will come out of him this year if he improves as rapidly as he has done in pre-season tilts.

MEET THE TEAM (Cont.)JACK LANG - DEFENCE

Born in the Hardrock mining centre of Kirkland Lake in 1933. Jack then moved to Geraldton with his parents. There he played his first Hockey and as years passed advanced to the Geraldton Gold-Miners with whom he played for four years before coming here.

His first year in Terrace Bay in 54 was not a great year for this hard-working fellow, but he showed promise and some Hockey ability.

In exhibition tilts to date Jack has shown great improvement, he has handed out body crunching checks and has shown his ability in stopping attacking forwards at the blue line when the pressure was on! If he continues to improve he will be classed with the top defense stalwarts of the league.

DAVE DESROSIERS - DEFENCE - Alternate Captain

Born in Kapuskasing 24 years ago, married with one child. Played hockey for Kapuskasing, Creighton, Falconbridge and Sudbury Wolves. He joined us in 1954 season and played a very steady game on Defence.

This year in games to date has been a steadying influence on Defence and seems to be in for a Great Year. He is a fast breaker, a deadly poke or sweep checker, and always seems to be in the "right place" at the "right time".

A Great Year looms ahead for this ardent competitor and team player.
