

SEASON'S GREETINGS

Once again, the Holiday Season is with us and it is a pleasure to take this opportunity of extending greetings.

For some, it will be the tenth Yuletide in Terrace Bay, often referred to as "A Holiday Greeting Card Town".

Fortunately in our community, little is known of hardship and poverty. But let us not be unmindful of any who need a helping hand, here and elsewhere. Such, in reality, is the true Spirit of Christmas, often forgotten.

To all LongLac employees we extend our thanks for a job well done with a minimum of injuries to those in our ranks.

To those who will be spending the season at distant points, a pleasant journey and a safe return.

To all with whom we do business, we extend the Compliments of the Season.

To each person who has added to the community life of Terrace Bay, we are grateful.

To everyone, a Merry Christmas and a Bright, Happy, Healthy and Prosperous New Year.

D. C. Porter,
Mill Manager.
