RECREATION FLYER

FAREWELL TO SANTA AND HIS REINDEERS--To all the children in our town old Santa wishes you all the joy and success in the coming year. He also wishes to send a load of thanks to the LongLac Pulp & Paper Co. for making it possible for him to visit all the boys and girls in town.

We feel that the type of party given to the children this year was a lot different than any one given in the past. We feel dissatisfied to hear the many remarks from some of the parents regarding this party, although it is to be remembered that you as parents did not take the opportunity to participate in the first planning session for this party which was open to everyone's ideas. A special Thank You to all those ladies who gave their help.
