CONCERT SERIES

Terrace Bay will be afforded its third opportunity this winter to listen to an evening of musical entertainment by artists well-versed in classical and semi-classical compositions. This performance will be held Thursday evening, January 26th at 8:15 in the High School Auditorium.

The singers to appear for this concert will be Miss Zenona Gawiak, and Mrs. Salvatore Pantalone. Miss Gawiak, a brilliant young Lyric Soprano has been winning gold medals and awards since the early age of nine. Born in Canada of Polish descent, Miss Gawiak received her training in Montreal at the Institute Pedagogique and later, at the Northwestern University School of Music, Evanston, Illinois. Follwing a two-year retirement to concentrate on academic work, Miss Gawiak is now studying at the Royal Conservatory of Music in Toronto under Weldon Kilburn. She has made many successful radio and concert appearances in Montreal, Chicago and more recently in Toronto.

Salvatore Pantalone, baritone, was born in Ottawa of Italian parents. He studied music at the Royal Conservatory in Toronto where he received his degree. He has appeared on many radio and television shows in Canada and done concerts throughout Ontario. Mr. Pantalone has appeared on "Singing Stars of Tomorrow", also "Nos Futures Etoiles" and won the "Opportunity Knocks" contest in March 1955. Recently he won the top award on the television show "Pick the Stars".

Plan now to attend---Tickets may be purchased at the Door -- Adults - One Dollar.

STOP LOOK AND LISTEN

Stop Look and Listen are all familiar words to all of us. We often see them on railway crossing signs.

Let's all apply them to ourselves.

Stop fires, look out for fire hazards in our home and everywhere, and listen to the radio messages about the great loss of life through fire.

1956 is only a few days old and 22 children have lost their lives so far this year. Is 1956 going to be a fire year? It will if we don't do a lot about fire hazards and smoking in bed and careless smoking. Let's all do our part in Terrace Bay to stop fires, look out for fire hazards everywhere. To stop a fire is good - To prevent a fire is better.

LAFF A LITTLE

A much married man was trying to chisel some free advice from a lawyer friend. "Isn't there some way in which a man can avoid paying alimony?"

"Yes." replied the lawyer. "Two. He can stay single or stay married".
