#### MINOR HOCKEY NIGHTS

Upon occasions when our PeeWees,  
Bantams or Juveniles are playing two  
games in one night - for example, one  
in Schreiber vs. Schreiber, and one in  
Terrace vs. White River - those parents  
who take their children in to Schreiber  
must not expect free admission to the  
game being held in Terrace upon their  
return. This is being done at the present  
time, but we wish to have it discontinued.

#### BASKETBALL

SCHREIBER LADIES DEFEAT TERRACE BAY LADIES  
IN A HARD FOUGHT BATTLE!

Monday night in Terrace Bay Arena saw  
a very fast moving, hard fought hockey  
game between the Schreiber Ladies and the  
Terrace Bay Ladies, with Schreiber winning  
with a very close margin of 1-0.

The first period saw both teams playing  
hard and fast, which ended with no goals  
scored. One penalty was given out to G.

Delaronde, Terrace Bay, for tripping. The  
second period saw Terrace Bay Ladies fight-  
ing gallantly to hold back the charging  
Schreiber Ladies, but J. Riley, assisted  
by F. Caccamo and Joyce Downey fought  
through to score. Penalties were Y. Vallain-  
court, Schreiber, for roughing, and B.  
Bouchard, Terrace Bay, for tripping.

The tiring Ladies continued to fight  
both hard and fast in the third period, but  
it also resulted with no goals being scored.  
Penalties were B. Bouchard, Terrace Bay, for  
tripping, and N. Tookenay, Schreiber for  
roughing, and B. Bouchard, Terrace Bay, for  
elbowing.

Betty Miller of Schreiber proved to  
be a very adept goalie by getting a shut-  
out. Jean Fisher of Terrace Bay was also  
very good as goalie by letting in only one  
goal despite the many shots fired at her by  
the charging Schreiber Ladies.

H. McCanna of Schreiber was on hand as  
First Aid man to administer bandages to any-  
one getting hurt, but only one minor accident  
occurred when J. Riley of Schreiber received  
a hard body check and had the wind knocked  
out of her for a minute.

Officials were R. Gauthier and H.  
Bouchard. Playing for Schreiber were: B.  
Miller, J. Downey, L. Nesbitt, M. Fournier,  
Y. Vaillaincourt, M. Cosgrove, J. Riley,
