SHADES OF ERIN

"When Irish hearts are happy, all the world seems bright and gay, and your eyes will be smiling when you see our play"

Sure and your Irish eyes will be smiling when you see "Abie's Irish Rose" presented by the Catholic Women's League in the High School Auditorium on Saturday, March 17th, under the direction of Mr. Austin Wilson. Mr. Wilson directed this same play in Montreal which ran for seven days. Our cast, we think, is the finest on the North Shore so bring along your best Colleen and you will leave with a little bit of Erin in your heart.

Produced by special arrangement with Samuel French (Canada) Ltd. Toronto.
