GIRL GUIDE ASSOCIATION

The Annual meeting of the Terrace Bay Girl Guide Association was held in the Recreation Centre on January 23rd.

After a word of welcome to the ladies Commissioner Maitland heard the reports from the convenors.

The election of officers was held and the following executive was voted in for 1956:

Vice-Chairman	- Mrs. V. Hopper
Rec. Secretary and Treasurer	- Mrs. J. Todd
Corresponding Sec.	- Mrs. J. Marcella
Social Convenor	- Mrs. A. Berndtsson
Ways and Means	- Mrs. D. Porter
Uniform Convenor	- Mrs. T. Brown
Badge Secretary	- Mrs. M. McCausland
Camp Convenor	- Mrs. E. Pineault
Cookie Day Convenor	- Mrs. A. LeBlanc
Publicity Convenor	- Mrs. L.O. Walker

A hearty thanks to Mrs. J. Cavanaugh, our Social Convenor last year and Mrs. D. Boudreau our former uniform Convenor. Best of luck to the new executives.

Our treasurer reports there are only twelve paid up members in our Girl Guide Association. This means that only twelve ladies are entitled to vote at elections and on important issues concerning approximately fifty of our girls. Do you think it is fair to let only twelve people carry all this responsibility? We need your support but most of all we need your interest and attendance at our meetings.

Ours is a very important organization dealing with a world-wide movement. Once you "take the plunge" you'll have a very interesting time with a little fun added.

See you at the next meeting in February!

YOUR RECREATION COMMITTEE

M. O. Nelson, Chairman, Joe Adamo, Vice-Chairman, Members: C. E. Paget, E. Cavanaugh, A. Driffield, R. Faust, Mary Hale.

The Recreation Committee would like to congratulate the Curling Club for producing a winner to represent Terrace Bay at the North Western playdowns this weekend.

At the last regular recreation meeting several items were covered in which the members will be interested. These were as follows -

Bowling - Two more ladies 10 pin bowling balls are to be purchased immediately as there appears to be a definite need for these.

Softball - It was decided that the loan to the Softball Association for \$150.00 be carried over to next season by request of this organization.

Figure Skating - The committee was pleased to see the progress being made by the local figure skaters and granted them the use of the arena for all practices. A reduced rate was struck for arena rental for their annual show in order to encourage this group.

Hockey - In order to provide hockey for the fans in Terrace Bay it was decided to give a \$1,000.00 per game guarantee to the Western Intermediate Committee of the C.A.H.A. This means that if a North Shore team wins over the Lakehead and Kenora that some of the ensuing playoffs will probably be held here. These games will be played with the Manitoba winner.

It was decided to hold a hockey Olympic night as requested by the North Shore League.

General - The 1956 recreation budget has been discussed and will be ready for publication soon.

Ron Faust is investigating the cost of a cigarette machine with the possibility of installing one of these machines at the mill entrance.
