

OLSEN RINK WIN NORTHWEST ZONE CURLING PLAYDOWNS

On Saturday and Sunday, January 28th and 29th the Terrace Bay rink of T. Olsen O. Olsen, N. West and H. Solly, chalked up a no loss record to win the Zone Curling Playdown.

There were five rinks in this playdown. Marathon, Terrace Bay, Schreiber, Red Rock and Nipigon. These rinks represented the best curlers on the North Shore. The Terrace Bay rink won all of their games advancing them to the District Playdowns. this weekend February 3rd, 4th and 5th.

The Terrace Bay rink had little difficulty winning against Marathon, Schreiber or Red Rock, but the game against Nipigon was one to be remembered. All games were 12 ends and in the game with Nipigon the Terrace rink were behind from the second end up to the eleventh end when they tied it up. Bill Dwyer from Nipigon had the last rock on the last end which of course is a terrific advantage in a tied game. However the Olsen rink curled real sharp on this end, putting the shot rock in and then placing guard after guard. Bill Dwyer, the Nipigon skip, had a tough choice with his last rock. He chose to draw in to win, but he was too heavy on his draw; Terrace counted three to win.

The Terrace Bay rink curled very well in all their games. Their team work seemed superb and an "out-of-towner" was overheard to say that if they can continue to curl like that they could take the District Playdowns next weekend. Let's hope this is so.

The result of the Zone play-off was;
