LAST ROUND FOR POINTS

The rink with the highest number of total points will be declared club champion.

From the above it will be seen that T. Olsen and G. Dodge are in the contenders spot for the Club Championship. The rink that has the largest total points at the end of this round will be the Club Champion. Then with points discarded a double round will begin on March 5th, 1956.

SWISS FILM PAGEANT - FEBRUARY 20TH

This Monday afternoon at the High School at 3:00 P.M., Mr. Lendi, of the Consulate of Switzerland, will be presenting an exhibit of Swiss Handicraft along with a film pageant of his native land. We had intended to arrange for an evening showing of this exhibit and film but the only date available conflicted with the Home and School meeting. Rather than ask the Home and School to postpone their meeting, we felt that any interested adult could attend the afternoon showing. To help defray expenses a charge of 5¢ for elementary student, 15¢ for secondary students and 25¢ for adults will be made.
