LIBRARY NEWS

Half Safe - Ben Carlin

Most of us have read about rafts and small boats crossing the Atlantic, but never before of an amphibious jeep accomplishing this feat. Ben Carlin, an Australian, and his wife tell an amazing story of their trip from Halifax to Africa, then by land and water to England. Written in a direct and racy style, the author with his wry humour makes this a really great adventure story. My Hospital in the Hills-Gordon S. Seagrave

Dr. Seagrave will be remembered as the author of Burma Surgeon. This is the exciting and informative story of what happened to him since his return to his bombed-out hospital in Mamkham after the war, and of the events that led up to his arrest, charged with high treason.

C.W.L. NEWS

We are very sorry to have to announce that the play "Abie's Irish Rose", has been postponed for a month, due to the fact that there had been a hockey game scheduled for March 17th. While the game has been cancelled, our plans had all been changed before we learned this. However, this postponement instead of injuring the play, will only tend to make it bigger and better than ever.

The executive meeting will be held at the home of Mrs. W. Sernesky on Friday, March 9th. The regular monthly meeting will be held this Sunday, March 11th at 8:00 p.m. in the church basement. We would like to have everyone out at this meeting, as some very important topics are to be discussed.
