LARGEST CIRCULATION IN TERRACE BAY

March 15th, 1956.

HOME AND SCHOOL ASSOCIATION MEETING MARCH 19

The regular monthly meeting of the Terrace Bay Home and School Association will be held Monday, March 19th at 8:15 p.m. in the High School Auditorium.

For the programme the Association has secured Mr. J. H. Adams of Toronto who is coordinator for Civil Defense for Ontario and will be our guest speaker. Mr. Adams will be able to enlighten everyone on the protection of our school children and will follow his talk with a film. This programme should prove to be highly informative and of interest to every parent as it does concern our children vitally.

Don't forget to register at the meeting in favour of your child's room and school. The attendance shield last month was won again by Miss Claxton's grade one pupils. Miss Claxton's pupils won by just one point over Miss Hunt's class in St. Martin's Separate School. At the Public School Miss Bradshaw's Grade two pupils were the shield winners.
