

HOUSE LEAGUE HOCKEY

a hard fought contest with Shift #2 nearly making it a three way tie in finishing our regular schedule Legault and Zwaresh produced both goals for #2 shift while Shift #3's Beaulieu and Belliveau flashed the light at the other end to give Shift #3 seven points and first place with Salary and Shift #2 ending up with six points. With three teams so evenly matched our round robin playoff should produce some every Extra Special hockey.

The second game between Schreiber Homers and a mixed Terrace Bay team was a thriller from start to finish. Featuring the smooth performance of Al Harrison, who's hat trick held the high flying Schreiber team winless in this years competition, plus a standout performance by John Long in the Terrace nets and the smooth pattern plays of the Schreiber boys, left little to be desired in a hockey game. And fans that saw the first period didn't leave before the final whistle had been blown.

Terrace opened the scoring, Harrison unassisted and Spikola tying the score unassisted. Harrison from Yonin and Fraser countered by Rielly from Winters still left a tie game. Bill Hanley from Harrison and Beaulieu produced the winning goal at the ten minute mark of the third period and although Schreiber pulled goaltender Fadden at the 16.50 mark they were unable to beat Long. With a few seconds left Al Harrison flipped the puck into an empty net.

Final score Terrace 4 Schreiber 2.

Referees Morris Kulcheski and D. Caldwell handed out two penalties, Sweet of Terrace and Fumerton of Schreiber.
