

SECOND ANNUAL AMATEUR SHOW

The Knights of Columbus will again sponsor the Annual Amateur Show which proved so tremendously popular last year. It is booked for late April or early May in the High School Auditorium. Final plans are just now being drawn up. Some changes are being contemplated, notably the extension to 3 classes of competition by adding an Adult division to the Elementary and Secondary School divisions held last year. Parents, particularly, are urged to bear this date in mind and encourage their children to begin rehearsing their proposed numbers now. Bill Sernesky will again head this endeavour and he would be pleased to receive any suggestions that will help to improve this show.

J. ATKINSON SPEAKS TO KIWANIS CLUB

On Tuesday evening at the Kiwanis Club's regular meeting the guest speaker, introduced by Ray Kenney was Mr. Joe Atkinson, manager of the Dorion Fish Hatchery.

Mr. Atkinson gave a very interesting talk on the breeding, raising and distribution of fish in this district. He also enlarged on the progress which has been made at Dorion since the Hatchery was started in the early 1930's.

The problems of the early days of the Hatchery were ably pointed out by the speaker who followed through with a detailed report of the progress that has been made to the stage where today the whole process of breeding, raising and distribution is largely streamlined.

Following the talk there was a question period, during which many questions were ably answered by Mr. Atkinson and Mr. Dick Ryder, District Biologist with the Dept. of Lands and Forests at the Lakehead.

Herman Roberts thanked the speaker.

NOTE OF THANKS

I would like to thank my many friends in Terrace Bay for their kind words, cards and visits during my recent stay in the hospital.

My special thanks go to the doctors and nurses of the Terrace Bay Hospital who so quickly helped me on my road to recovery.

Thank you all,
Mavis Thorsteinson.
