HORTICULTURAL SOCIETY NEWS AND NOTES

To get the most out of gardening, it's a good idea to join the horticultural society in your town. Gardening problems are easier solved when discussed by a group that has the same interests at heart; a group whose experienced members are willing and glad to pass their knowledge to the beginner.

A good opportunity to do just that, is at the General meeting of the Terrace Bay Horticultural Society, to be held this Friday, March 23rd at 8:00 p.m. at the Rec. Centre in the large meeting room.

Our membership fee is only \$1.00 per year. To be eligible for a valuable premium, the fee must be paid before March 31st,

Everyone is urged to attend the meeting this Friday and become a member. All those of us who already are members should attend and support our Society for a successful year.
