

SKATING CLUB NEWS

It is unfortunate that so many of our skaters are ill, and we sincerely hope they will be well by Friday. We suggest the children wear long stockings or skating tights and sweaters for the dress rehearsal.

Dress rehearsal is at 5:30 Friday. The children will be met at the door and directed to the dressing rooms, and those parents who wish to call for the small children may do so at 7:00 p.m.

The children will be supervised, and we will do our utmost to keep them warm.

All costumes except the Chinese, Russian, and Arabian will be left at the arena Friday night. Please be sure that each separate piece of each costume has your name on it, and please bring a hanger for each costume.

Each child will bring a paper shopping bag with their name on it. Their under-clothing will be placed in these bags to avoid confusion.

Those who wish may apply makeup at home.

BRUSH STROKES FROM THE ART CLUB

Last Thursday, the meeting of the Terrace Bay-Schreiber Art Club proved of great interest to all those who attended. Slides of one hundred paintings were viewed and discussed by our instructor and members. Needless to say, all of the paintings did not make a favourable impression on all of us, which made the evening lively, to say the least. (Little brown bird of the inner eye indeed! -- a mess, that's what it was, a red mess!)

The future big days in Terrace are April 27th and 28th, when the Art Club will hold their first Art and Craft Exhibit. Art Collections are being imported from other Amateur Art Clubs in the Thunder Bay District.

A valuable oil painting will be offered as a door prize. Tickets will go on sale soon for the raffle to be held in connection with this important event. The painting, a local summer landscape in oils, will be displayed at the Rec. Centre.

Plan to buy a ticket and let the Art Club flourish in your community.

ARE YOU INTERESTED IN CHILDREN?

Tinies, "Tens" and "Teens". Their age is different, their need is the same.

The Children's Aid Society are constantly in need of foster homes both Protestant and Roman Catholic for children who, for various reasons, have been denied a home and parents of their own. For many the answer can never be adoption but these children still need a normal home and the love of a family.

If you like children and would be interested to hear further particulars regarding becoming foster parents please contact:

Miss E. C. Robinson,  
District Representative,  
Box 687,  
Geraldton, Ontario.

THANK YOU NOTE

We would like to take this opportunity to Thank Dr. McCausland and Dr. Campbell and the nurses on duty at the hospital the night I got hurt. Also Terrace Bay Recreation Association and the Marathon Hockey Club for flowers received in the hospital. And to the Terrace Bay Superiors for the Welcome Home Bouquet of flowers. Our thanks to everyone who helped in any way for letters, cards, and parcels received. Your thoughtfulness will always be appreciated and remembered.

Doris &amp; Les Legault
