MIXED BONSPIEL

Last weekend a mixed Bonspiel was held for the LongLac Pulp and Paper Co. Trophy.

The winner was the Jack Wellings rink. The consolation winner being the Dodge rink. Some very good curling was displayed in this event and the curling concluded with a very enjoyable social evening on Saturday night.

Winner - LongLac Trophy

Lead - Jessie Ratchford, Second Ed Pineault, Third - Peg Wellings, Skip - Jack Wellings.

Consolation Winner

Lead - Mary Byers, Second - J. Garvin, Third - Dot Shrier, Skip - G. Dodge.

EIGHT ENDER SCORED BY WELLINGS RINK!!

A curling 'First' was made on Friday April 6th during the mixed Bonspiel. During the first game of the 'Spiel the Jack Wellings rink scored an eight ender, the first eight ender for the Terrace Bay Club, and it has been said the first for the North Shore Curling Clubs.

For non-curlers an eight ender is the ultimate score in one end of curling for one rink. Each rink has eight rocks to throw during an end and for the one rink to score their eight rocks is almost an impossibility because the opposition has eight rocks to throw to knock out or draw with. So the near impossible has happened and it is fitting that Jack Wellings was the skip of the rink.

Jack is one of the most experienced curlers in the Terrace Bay Club, who started his curling in the curling province of Manitoba. Jack has won many honours for himself and the Terrace Bay Club. Congratulations are in order for Jack and his rink. Jessie Ratchford, lead, Ed Pineault, second, Peggy Wellings, Third, Jack Wellings, Skip.
