NOTES AND NEWS FROM "D" COMPANY LSSR

First, a note of explanation, we intend to have a weekly column, space permitting to describe activities at the local armouries.

With spring on the way we are looking forward to renewed activity and to make it successful we are looking for more members. In the old days to pass a medical, all a man had to do was breathe and walk and you were in. It's not quite that easy now, requirements are that a person must be physically fit so that they can perform their duties and undergo the necessary training.

So if you hanker to wear a kilt come down to the armouries at the South Camp, Monday or Friday at 7:00 p.m. We will make arrangements for you to have a medical and be properly signed on.

HOME AND SCHOOL ASSOCIATION

One of the liveliest meetings yet was held Monday evening in the High School Auditorium by the Home and School Association. Following a brief business meeting the President, Mrs. Porter turned the meeting over to Mrs. F. O. Soughton who convened the programme. Mrs. Soughton introduced her theme, "Around the World through Folk Music", and explained how this music had been created around the work and play of the people in each country. Her guests were pupils of Terrace Bay's three schools, and their teachers.

Commencing the programme, Mr. Wilson of the High School Staff led his Grade nine girls in several French Songs, all introduced by Susan McCausland. Doris Mousseau, a Grade eleven pupil, sang two delightful French-Canadian songs. Travelling then to Ireland, Vincent McInnes sang "Danny Boy" and "Galway Bay" accompanied by Miss Quarry. Visiting in Scotland next, Helen Dennis and Sandra Solly performed the Highland Fling while Gail Wood, a native Scot, sang "Bonnie Annie Laurie". Special guest of the evening was Mr. Bert Lohr, who, accompanied by Mrs. S. Hodgkiss, sang two songs of England, "Greensleeves" and "Come to the Fair". A little German fellow, Ingo Schmiedchen, stole the show with his song about a duck.

Led by Miss Claxton, the St. Martin's Choir sang first a song of Czecho-slovakia then following two gay Polish Dances played on the accordian by Lila Petris, they sang two Italian songs. This group was introduced by Sharlene Pineault and accompanist was Miss C. Quarry.

The Public School choir were next to present a series of numbers. Introduced by Sharon Locking, they sang the song of Switzerland, "The Weggis Song". Sandra Solly introduced Ella Jacobson who had come to this country from Finland, and Ella too, sang a song in her native tongue. Gayle Sweet presented the last number of the choir selections, the ever-popular Australian, "Waltzing Mathilda". Miss E. Montey led the Public School choir and they were accompanied by Mrs. D. Locking.

Some grade three pupils from the Public School, who had been trained by Miss Dowling did an American square dance to "Polly Wolly Doodle" and to conclude the programme, the three choirs combined to sing of Canada - "The Maple Leaf Forever" and "O Canada". Mrs. Soughton thanked the teachers and their pupils who had entertained the Home and School and made special mention of the global backdrop for the stage, created by Miss Cathy Smith.

Mrs. Cummings and her committee served tea during the social hour.
