TERRACE BAY TENNIS CLUB

There will be an open meeting of all those wishing to take part in tennis this summer. At this meeting, the new executive for the coming year will be nominated. Get out to this meeting on Wednesday, April 25th, at 7:00 in the small meeting room of the Rec. Centre. We have big plans for this year.

- - -

TEEN TOWN

If you do not have a membership card now, you had better get it before the end of the month if you intend becoming a member of our club. At the end of April, the club will be only for those holding membership cards.

Sock Hop This Saturday - Everyone must dance without shoes on, showing off your flashy socks. There will be winners chosen.

Free Trip to the Next Youth Conference -

This can be you, if you design the winning crest for our local Teen Club. All drawings must be submitted to the Club's President - Phil Miller - no later than May 10th. Choose your own colours. You may be the lucky person. Starting next week, the Teen Town will have their own column in the Terrace Bay News.

- - -

SUMMER PLAYGROUND

This year we hope to have a bigger and better playground programme than ever before. Sometime in May, a form will be sent to each school, which you and your parent may fill out to register for the playground this year. The age limit will be 5-13 years of age. Plan now for what you would like to have done on your playground.

SWIMMING CLASSES

We hope this year that the weather will be as good as last year so we can improve our swimming. This summer we will try to have two sets of Red Cross tests - one half way through the season and the other at the close of the season. Again, we will need information regarding all those wishing to take lessons and what Red Cross Award you now have, if any.

SWIMMING CLASSES

Adults - If there are any adults who would like to have the opportunity to learn to swim, please contact the Recreation Office for further details.

Royal Life Saving - Any teen-ager wishing to take instruction in life saving may do so this year, upon request. To become a life-guard or instructor, these tests are necessary. Think about it for a while and then let us know.

Divers - This year we hope to have a mixed group taking special diving instruction. Please let us know if you are interested.

MINOR HOCKEY BANQUET MAY 8TH

The end-of-the-season banquet for all minor hockey players will take place on May 8th in the Terrace Hotel. At this time we hope to have some N.H.L. professional hockey players present to speak to the little hockey players. Also, the three trophies will be presented during the evening.

CIGARETTE MACHINE

The Recreation Committee has received numerous complaints regarding the location of the cigarette vending machine in the guard station. Many customers apparently feel quite strongly that they should be permitted the privilege of operating the machine themselves.

Now that the machine has had a period of trial operation, and some of the "bugs" have been ironed out, it has been decided to locate it just outside the guard station on a trial basis.

However, if it is to operate successfully in the new location, it will require the cooperation of everyone. This is therefore an appeal to all LongLac employees to be guided as follows:

1. The machine must be level to operate properly. Please avoid bumping or shaking it, particularly during "punch-out" periods when traffic is heavy.

2. If the machine accepts money, and then fails to either vend cigarettes or return the money, it is likely that two packages are stuck together. Shaking or kicking the machine will not help. Simply tell the guard what has happened. He will either refund your money, or see that
