

REVEREND ARTHUR LAVENDER TO RECEIVE DOCTOR OF DIVINITY DEGREE

Reverend Arthur Lavender of the Terrace Bay Community Church on Friday April 20th will receive an Honourary Doctor of Divinity Degree at the United Theological College at Winnipeg. This degree being conferred on Reverend Lavender for his many years of outstanding service to the Church.

Reverend Arthur Lavender came to Canada in 1911 as a student Minister with 27 other young men to do missionary work of the Church in the Canadian West. It is interesting to note that out of those 27 young men Reverend Lavender is the only remaining active Minister of the Church. And as such he has been an active Minister for forty-five years.

As a student minister he served at Radville, Viceroy, Ogema, Outram, Saskatchewan, and Elm Creek, Manitoba.

The Reverend Arthur was ordained a Minister in Regina after attending College at the United College in Winnipeg. And as a Minister he served in the following localities: Kelwood, Cardale, Hartney, Roland, Manitoba and Emo, Ontario. In 1939 he came to Schreiber, Ontario, and in 1946 he began to service the needs of Terrace Bay until 1949 when he became the Resident Minister of the Terrace Bay Community Church.

It will take little imagination on the part of anyone to appreciate the hardships in serving as a Minister in the Canadian West in those early days.

Reverend Lavender lives at 61 Laurier Avenue with his sister Miss Louie Lavender. He has two sons, Walter, Principal of the Maple Leaf High School in Toronto, and Emerson, Teacher of History at the Richmond Hill High School, near Toronto. A son Stanley passed away in December 1952.

For all the years the Reverend Arthur has served his fellow man he still keeps himself busy and active. Locally he is in demand as a public speaker. Recently he spoke to the Kiwanis Club on the subject of Peace, and a more inspiring talk on the subject is difficult to imagine. He is incidentally a Past President of the Kiwanis Club of Terrace Bay. His ability as a speaker is an inspiring experience as is evident in his weekly sermons.

So it is with great personal honour that Reverend Arthur Lavender will receive a Doctor of Divinity Degree on April 20th at the United College in Winnipeg, and it is an honour also for the community of Terrace Bay. On behalf of everyone in Terrace Bay we would take the privilege of congratulating the Reverend Arthur upon this outstanding occasion in his long service in the Christian Church.
