HORTICULTURAL SOCIETY NEWS AND NOTES

Last Friday, a general meeting of the T.B.H.S. was held and proved of great interest to all those attending. Mr. F. S. Parrish, District Director Ont. Hort. Society, was our guest speaker. His address dealt with the history of the Horticultural Association, its functions, its aims, and its purpose in connection with the Individual Society. He gave his impressions of the Annual Convention held in Toronto in March. The highlight of his address was a complete review of the address given by Mr. Thos. W. Rhompson, Metropolitan Parks Commissioner Toronto, Ont., "Value of Horticulture in Our Day". A lively discussion period ended the meeting.

Next general meeting of the Society will be held on May 18th at 8:00 p.m. Mr. Fred McDonald, Superintendent Fort William Parks Board, and Mr. A. Widnall will be guests for the evening. A large attendance is expected.

All members wishing to purchase commercial fertilizer, please contact Mr. J. Duncan at once. Deadline date for this special offer is May 12th. Order now and don't be disappointed. Cash must accompany order.
