	--2nd Prize--\$ 5.00
Biggest Pike	-1st Prize--\$10.00
	--2nd Prize--\$ 5.00
Biggest Pickerel	-1st Prize--\$10.00
	--2nd Prize--\$ 5.00

PLAYGROUND REGISTRATION FORMS

On Wednesday, April 2th, playground registration forms were distributed to the school children, to be filled out and signed by their parents. We would like to have these forms completed and returned to the schools by Friday, April 27th, so that we may formulate our plans for the summer. If some children did not receive a copy, please notify the Recreation Office.

LITTLE LEAGUE BASEBALL

On Monday, April 30th registration forms will be distributed to all boys between the ages of 8 and 12 years through the schools. We would appreciate having these returned immediately upon completion.

HOUSE LEAGUE HOCKEY STAG

On Friday, April 27th a stag for the players in House League Hockey and Superiors, Old Timers, Lunch Pails and Palefaces will be held in the Curling Rink Gallery at 9:00 o'clock. Tickets are on sale now and can be obtained from Maurice Kulcheski, Harold Hall, Al Ziegelman and Jim Fraser. Price \$1.00 per person.

ROLLER SKATING SEASON TO START SOON!!TERRACE BAY RECREATION REPORT FOR THE YEAR 1955 (Cont. from Last Week)TENNIS

We are very proud of our results from re-forming a tennis club, in which were enrolled some 58 members last year. This was set up and organized by an elected committee. Interest was so great that inter-town competition was started, and indoor tennis was played for the first time on the terrazo floor of the Arena. This helps out in planning competitions as it allows us to play on rainy days and evenings. There was for the first time a highly-skilled and professional tennis team from the Lakehead visiting Terrace Bay to put on an exhibition game for the people. Tennis now has a strong place in our programme.

ROLLER SKATING

We had our initiation into roller skating in the summer months last year. We purchased over 250 skates, varying in sizes. This activity was operated three nights a week and was a highly recognized activity. As the summer passed, interest dropped but next summer we again hope to see many enjoying this form of recreation.

PLAYGROUND

We had a large enrolment of children from 4 to 13 years of age in this programme, which consisted of crafts, sports and swimming. Last season we operated our playground with a director (a local lady) with a 19-year old girl assistant. Both these people were sent to a Summer Playground Leaders' Training Course before our 2-months' activity took place. Statistics show that over 200 children registered in our playground programme. The average attendance for the eight weeks was 150 children per day, which was less than \$1.00 per capita. We found from last year's experience that in order to function properly and to allow the boys to participate, there should be a young man employed, along with one female employee, as supervisory staff. The programme scheduled a special activity each week, in which the children were very keenly interested.
