A Paris Surgeons Story - Dr. Chas. F. Bove

Dr. Bove, an American surgeon has served twenty-five years on the staff of the American hospital in Paris. Among his patients were men and women of such fame or notoriety as Ernest Hemingway, Pierre Laval, General Pershing and Aimee Temple McPherson, Adolphe Menjou and Ivor Kreuger. During the occupation of Paris Dr. Bove hurried to Biarritz to assist with the wounded French troops. His description of this journey and subsequent events is most stirring.
